The Mission of the PASSA Scholarship Program is to help those students seeking a career in accounting obtain their goals through higher education.

Applicants are selected based on financial need, community service participation, evidence of leadership and citizenship and academic record (minimum 3.0 GPA).

Scholarship recipients will be awarded a \$3,000, \$2,500 or \$2,000 to be used for “qualified tuition and related expenses” for the 2024 - 2025 academic year

Rules and guidelines:

1. Applicant must be enrolled full-time in a four-year accredited college or university.
2. Applicant must have completed their freshman year of college (24 hours) with a 3.0 GPA and must be in good standing.
3. Applicant must be pursuing a bachelor's or master's degree in accounting.
4. Applicant must fill out and submit a completed application.
5. Applicant must provide an official transcript(s) from colleges or universities attended.

8. Each scholarship recipient will be selected by the PASSA Executive Committee.
9. The following criteria will be considered in selecting each scholarship recipient: academic standing,

personal circumstances, participation in school/community activities, letter of recommendation, and completion of essay and application. The committee will also consider the application for neatness, spelling and grammar, and the ability to follow instructions.

10. Each scholarship recipient and their designated counselor will be notified of the scholarship award by the PASSA Scholarship Committee Chair. The notification will be by letter sent by mail.
11. Each scholarship award will be remitted directly to the College or University by August 01, 2024.
12. Each scholarship recipient and parent(s) will be invited as guests to attend a future PASSA bi-monthly meeting held at the Petroleum Club of San Antonio, where the scholarship will be officially announced to members.

According to the IRS (2018 instruction Form-1099 MISC, page 2 which references scholarships) and the 26 U.S. Code §117, “qualified scholarships” do not need to be reported to the IRS on any form. However, scholarship grants that are paid for teaching, research, or other services as a condition for receiving the grant are considered wages and must be reported on Form W-2.
14. The scholarships awarded are not renewable.

To be considered, each applicant must complete an essay and application and submit them along with the official college transcript(s) and letter of recommendation to the address mentioned below.

Applications must be received by May 31, 2024, to be considered - NO EXCEPTIONS.
